

Hi everyone at Pine Glen. You wouldn't believe how hard it is to find a thank you card for contractors. Obviously, the folks at Hallmark have never hired your team. Otherwise they would know what we know:

That all of you at Pine Glen -

Tyler, Paulina, and Jenna - have been absolutely wonderful to work with.

You are all responsive, professional, honest, and fun. We have benefitted from your input and consider ~~ourselves~~ ourselves

lucky to live in such a beautiful home thanks to you. The work is fantastic and, not surprisingly, there have been no surprises.

I don't know anyone who has been through a reno and can say the same.

We will continue to sing your praises.

 **Thanks!**

Most of all, we wanted to say thank you to all of you. We couldn't be happier with the house or the experience.

It's almost tempting to move and do it all again
